Juvenile Access to Videos Policy

Approved by Board of Trustees January 2016

Parents and legal guardians are responsible for anything their child checks out. Parents assume the responsibility of notifying the Library should they want to restrict their child's access to the Library's video collection.

The Fitzgerald-Ben Hill County Library only restricts access to videos with an "R" or "PG-13" MPAA rating. Videos with an "R" rating circulate to patrons 17 years of age or older. Videos with a "PG-13" rating circulate to patrons 13 years of age or older.
