Thank you for your interest in the resources available at the Fitzgerald-Ben Hill County Library. Please take note of the following points before submitting your request.

- Please provide as much information as possible for a successful search. Due to staffing limitations, searches will only be conducted for requests that include at least the month and year of death. Several free resources are available to assist in narrowing down a person's death date, including [www.familysearch.org](http://www.familysearch.org).
- The Library only has access to local newspapers. A detailed listing of current microfilm holdings can be found on the library's webpage at [www.fbhcl.org](http://www.fbhcl.org) under the Genealogy page.
- Please limit your request to 4 obituaries at one time. Please allow up to 4 weeks for processing your request.
- The library does not charge for obituary requests, however, donations to cover printing, postage and staff time are appreciated.

Return this request form via mail at the address above or email to [wdm@fbhcl.org](mailto:wdm@fbhcl.org).
