## **Severe Weather Policy**

*Approved by Board of Trustees April 2011*

The Fitzgerald-Ben Hill County Library is committed to patrons and staff during times of severe weather. The Library is not equipped with a true “safe” room with equipment and supplies necessary to meet the needs that may arise during an emergency. Therefore, in the best interest of Library staff and patrons, the Library Director has the authority to modify the library’s regular schedule to accommodate for severe weather or the threat of severe weather. Whenever possible, the Director will gain consent of a member of the Library Board’s Executive Committee.

This policy shall apply to any non-mandatory change in the Library’s schedule. Mandatory closings will follow the City of Fitzgerald’s policies and all applicable laws.
