If you are between the ages of 12 and 18, we want your opinion! You can hang out with other teens, have a say in future teen programs, and make suggestions for the teen collection. Plus, this is a wonderful way to give back to the community (and it looks good on college and job applications too!).

Meetings are held once a month, on a Saturday at 12 p.m.

For more information, please call Jennifer at (229) 426-5080, or email me at jjohnson@fbhcl.org.
